This Other is brought to you by the Digitising King George's Sound at ResearchOnline@ND. It has been accepted for inclusion in Letters from New South Wales to King George's Sound, 1826 to 1831 by an authorized administrator of ResearchOnline@ND. For more information, please contact researchonline@nd.edu.au.

and bringing by the return of that Vessel a collection of
the Vegetable Productions of the Kingdom of Georgia and
His Excellency expects that you will cause every facility
in your power to be afforded to him in the performance
of his Service.

A collection of garden Seeds and Plants of which
a List is enclosed is shipped under his care and the
Governour trusts that no time will be lost in preparing
some ground for his use as well as for planting the same
of which you will be sure that a duplicate supply is
provided.

His Excellency desires to draw your attention to the care of the live
stock as you must be fully aware of the importance of such
Stock to a new Settlement. A supply of Horned Cattle
will be sent to you by the first opportunity and on
this subject I have only further to add that until the
Stock of the Settlement be fully established particular
care should be given to prevent the killing of any
breeding Animals.

The Medicine stores of the Expedition and Treatment
are intrusted by His Excellency to Mr. Isaac Pitt Rivers
an Assistant on the Colonial Medical Establishment
who has been furnished with the proper instructions
by the Principal Surgeon, and who is to receive 7th per
Centum and Gratuity for himself and his Servant from the
date of his embarkation on board of the Quilty.

I keep His Excellency fully informed of the progress
and exact State of the Settlement. I have to request that
by every opportunity that may offer you will transmit
Correct and Methodical Returns of the following
descriptions viz:

- 1st Return of Diseases that have occurred with the
dates and of the numbers actually on the
spot distinguishing between the healthy and the
sick
